

Dear Friend,

Thank you for your support of the Davis Phinney Foundation through a planned or estate gift. Planned giving is an excellent way to save on your taxes this year through charitable giving. An estate plan may also help you to avoid capital gains tax, estate taxes or offer other benefits to you and your family. Leaving a bequest to the Foundation in your will is an excellent way to assure our important programs continue years into the future. If you are interested in ideas to help you plan and save for the future, a planned giving approach can help you achieve your goals. With a planned gift, you can also create your legacy while furthering our charitable mission in support of families affected by Parkinson's Disease, now and into the future.

The goal of this short, planned giving "Statement of Intent" is to help us support your planned giving goals and recognize your wishes. Please fill it out and return a copy to the Foundation for our records. If you have questions about your specific situation, bequests, estate plans or tax savings, please don't hesitate to contact us. We would be happy to provide you with a personal illustration and answer any questions you may have about charitable plans.

We are happy to help. Please let us know if we can be of assistance to you in reaching your goals.

Sincerely,

Richard Cook
Director of Development
