

small blue victory

(I don't count 'em; I just note 'em)

crawled outta the funkjunk
like the honeysun came 'n dragged
this ole swampbody up
made me tea
put on tony joe white's
"ain't goin' down this time"
touched my cheek sang
"baby whatta-
baby whatta-
day!"
sipped that golden brew
buhtween sighs
'sall right
uh-huh 'sall right
