

sticks and spoons

(tribute for Sangeeta Michael Berardi on his 81st birthday)

sangeeta
bells
sangeeta
bowls
tremor beats
vibrant rhythms
sound-rain
in the aural dust

sangeeta
the patterns
chaos makes
in the air
ripple glide
bumpy clatter-ride

sangeeta
sticks and spoons
release
spirit voices
in the hard-body

sangeeta
every crucible
waits
every concavity
quivers
sangeeta
to be
rung!

again! again! again!
